YOUR PASSPORT TO SAVINGS

WWW.LEVARTIRX.COM | 800.651.7037

At Levarti Rx, our goal is to make a difference out there!

.....

When the American consumer becomes a victim of the games played by the pharmacy industry, we can no longer just sit back and let it happen. We are focused on helping the cash paying consumer, with a mission to provide affordable prescriptions and knowledge to under-served Americans. Through our relationships and buying power, we can supply our customers with some of the best drug prices in the country on the **SAME, NOT SIMILAR** medications they can get at their local pharmacies. All of our products and prescriptions are approved by the FDA and sourced in the United States.

We are committed to improving your life and saving you money!

.....

From acute to chronic needs, and over-the-counter options, our medications are the most cost effective in the industry. We have setup our program so members know upfront what the cost will be, instead of getting sticker shock at the counter. Prescriptions you need immediately (Acute) can be picked up for FREE at over 64,000 pharmacies nationwide and Chronic Medications (Ongoing Maintenance) are delivered to your home for FREE as well. Tracking is setup as soon as it leaves our pharmacy so you will know where it is every step of the way. Beyond the great pricing, we have an experienced team of pharmacists who provide the highest level of care when patients need

it most coaching them on the best products and practices as well as educating them on therapeutically similar options, when available, for even better savings. We offer a perks of a small hometown pharmacy without you having to leave your home. It's easy to get started, and works much like your Netflix membership. For a small monthly fee, you gain access to the MOST USED medications for FREE, which is unheard of in the industry. As a member, our team of pharmacists will also transfer your prescriptions for you and you can begin saving immediately! There are no hoops to jump through, no gimmicks, no waiting period and your Doctor can start sending your prescriptions right away.

Free Prescriptions For Everyone!

.....

Prescription drug prices have skyrocketed over the last few years to the point people can no longer afford them. You shouldn't have to choose between feeding your family or taking your medications. We have created a new concept where you actually PAY NOTHING for your prescriptions. Through strategic partnerships and our buying power, we can get you access to the most used generic medications for **FREE!**

GET THE MOST PRESCRIBED MEDICATIONS FOR **FREE!**

Acute Medications

(Immediate Need)

.....

If you have an immediate need for these types of medications, members will be able to pick up these medications at their local retail pharmacy. This part of the program makes available the top 128 most prescribed acute medications for **FREE**, for up to a 21-day supply at over 64,000 pharmacies nationwide.

Chronic Medications

(Maintenance Medications)

Maintenance drugs are medications prescribed for chronic, long-term conditions and are taken on a regular, recurring basis. Examples of chronic conditions are: high blood pressure, high cholesterol and diabetes, to name a few. These drugs are well-established medications that have proven safety and efficacy and are considered first-line therapy options for the treatment of common chronic conditions.

Pharmacy Coaching

Professionals You Can Count On!

Levarti Rx has a team of highly educated, well trained pharmacists (RPh and/or PharmD) with decades of clinical experience. Our pharmacists are focused on helping patients achieve the highest quality of life through medication, counseling, education and adherence to the latest pharmacology standards.

Our Pharmacists Are Here To Help!

Our experienced team of customer service and licensed pharmacists provide the highest level of care when members need it most. Through pharmacy coaching, we educate members on possible medication options and opportunities to save additional money when available. We will consult with you and your doctor to inform you of the alternatives and help make the best decision for your personal and financial health.
